### ENTRY INFORMATION

1. Entrants may only sign up for two separate events. A player may, however, substitute in any event as long as he/she isn't re-entering the same event, doesn't affect the scheduling, and doesn't affect the seeding.  
 In doubles, you must play at the level of the highest ranked player, i.e. a 3.5 and 4.0 must play 4.0.
2. You do not need a USTA rating to play in this tournament.
3. Doubles partners must be listed. No phone entries. There will be no refunds after first match.
4. It is the responsibility of the entrant to acquire their starting time. Times will be posted on line at [tennisinformation.com](http://tennisinformation.com) and at the Club on the weekend before play starts.
5. There will be some Friday evening matches in certain divisions with large draws. You may play before Friday as long as the match is completed before your 2nd round match.
6. Please don't sign up if you're not available for entire weekend. We cannot guarantee requests for no Friday evening matches.

### TOURNAMENT RULES

1. USTA-NCTA rules will govern play unless otherwise noted.
2. Matches will be 2 out of 3 sets except that a 10 point Super TieBreaker may be used if limited courts or weather delays. Regular scoring will be used throughout all rounds unless draws are very large. Twelve point tiebreaker will be used in all rounds.
3. Warm-up time: 10 minutes including serves. Two minute break between sets.
4. Report to the tournament desk at your assigned location 15 minutes prior to scheduled match time.
5. All players entering play at their own risk. Shirts must be worn at all times.
6. Tournament director reserves right to refuse entry, place players in appropriate division and disqualify players found playing in the wrong division.
